What we have raised

In the last 12 months we have raised an amazing

£9,826.54

What we have spent it on

With the help of grants from both Tesco blue tokens and Deeping St James United Charities we have purchased and installed a new trim trail on the school field for the children to enjoy.

How you can help

We are in need of new committee members to join us. Committee members help us decide how to raise and spend funds and help to organise and run events. We are also very grateful for anyone who can be an occasional helper at events. Without these helpers larger events like discos and fayres cannot happen.
