Please join us for our first SEN coffee morning which we will be holding on Thursday 25th January 9.00-10.00am in the Activity .

The focus of the morning will be on helping children with routines and how to support children with coming into school. We will be joined by Penny Bellamy from the Working Together Team. Penny will share ideas and strategies to help with morning routines using visual supports.

Your child does not need to be on the SEN register for you to join us for this session.

We really hope you are able to join us. If you are interested in attending, please email

SENCO@aspire.school or phone the office on 01780 763654.

This week at St. George's Learning Together, families had a fun afternoon of playing games that support basic number skills. Through play, the children were able to practise number recognition, number bonds, ordering numbers, counting on, addition, place value and times tables. It was lovely to see our families enjoying helping each other learn.

See our website for more information on how we teach maths at St. George's [Aspire Federation - Maths Support \(st-georges-stamford.lincs.sch.uk\)](http://st-georges-stamford.lincs.sch.uk).

St. George's Learning Together meets on a Thursday afternoon in the porter cabin 1.15pm – 3.15pm. You can still book a place for you and your children for the following dates this term:

Thursday 18th January – messy play

Thursday 25th January – Storytime

Thursday 1st February – using the outdoors (this will take place at Forest School)

Please note that registration closes at 8:55am. Children arriving after this time will be marked as late and will miss out on key learning.

Term 3 Value—Joy

Our first school value for the new year is joy. We will be learning about this value through our worship sessions as well as lessons within the classroom. We will be exploring special celebrations, bible verses and hymns to find out more about how Jesus gives us joy in our lives. This is especially important to remember in the current economic crisis and with war happening abroad.

Talk to your children at home about this value. Are there ways they can show this in activities they are taking part in outside of school? Teachers would love to know about how the children are demonstrating this value both at home or in other settings!

John 8:12 Jesus said, "I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life"
