

'let your light shine!'

Year 5 Term 4 on a page

Maths:

Decimals and percentages - representing numbers to thousandths, ordering and comparing them.

Perimeter and area - finding the perimeter of rectangles, rectilinear shapes and polygons. Then finding the area of rectangles and compound shapes.

Statistics - Draw, read and interpret graphs and tables

Art and D&T:

Children will make portraits in Art. They will sew pencil cases in D&T.

Geography: Why do oceans matter?

Exploring the importance of our oceans and how they have changed over time with a focus on the Great Barrier Reef, specifically addressing climate change and pollution.

Computing: Databases

Children will learn how to sort and interrogate databases.

Science: Animals, including humans

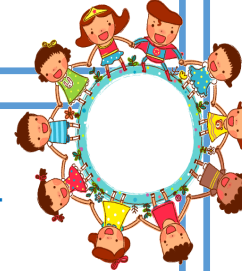

Children will learn about the human life cycle from babies to the elderly. They will learn about and compare the gestation periods of mammals. They will also look at lifespans

PE:

Netball - In this invasion game, children will learn ways of passing the ball, team tactics and strategies to outwit the opposition.

Tag rugby - In this invasion game children will learn passing. They will work together to maintain possession to get the ball to the try line to score.

PSHE: Healthy me

Children will learn about the risks of alcohol and smoking. They will learn what makes a healthy lifestyle including healthy eating and the choices they need to make to be healthy and happy.

Music: Composition to represent the festival of colour (Theme: Holi festival).

Exploring the associations between music, sounds and colour; composing and performing their own musical composition to represent Holi.

English:

Class reader Northern Lights by Philip Pullman

Children will write instructions on how to make a spell for witches

Poetry: Children will learn about Haiku and Senryus, Renga, and Free Verse, writing their own poems based on the oceans.

They will write explanation texts on the life cycle of a butterfly linked to their work in science.

RE: Christianity Holy week

Children will be visiting St Guthlac's Church to learn about Holy week. They will work with Andrew Mitchell, the children's and youth worker. They will look at the Bible text relating to this part of Jesus's story. They will act out scenes. They will prepare to lead the whole school Easter service at the end of the term.

Important Notes
