

Welcome to St George's CE Aided Primary School

'Let your light shine'

As part of the Aspire Federation, at St George's C of E Primary School, we aspire for everyone to **let their light shine.**

Our Christian values are at the heart of all we do. We provide an inclusive and nurturing space which allows children to celebrate their uniqueness and supports them to become confident, resilient and independent learners. We encourage children to develop curiosity and have enquiring minds, to enable all to flourish and reach their full potential within our school and as part of the wider community.

Matthew 5:14-16

You are the light of the world. A town on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in Heaven.

We have strong links with St. George's Church and the whole school attend a service there 3 times a year. We also have a member of the clergy come to school and lead Worship for us every Wednesday. A children's church club is run after school on a regular basis.

Here are some important
people you will get to know.

Mrs Martin—Executive Headteacher

Mrs Fleming—

What our parents say:

"St George's - it's not just a school it's a family.

My children have attended St. George's school and have enjoyed many happy years there. I love the size of the school, with just one class per year it's much more intimate and the children and staff from reception through to Year 6 all know each other and help each other. If I had to pick my children's school all over again I'd always pick St. George's."

Year 1 parent.

"Choosing the right school is a big decision that plays heavily on your mind. For our child this is the right school. Since being at St. George's he has developed friendships and formed good relationships. He started school not knowing his letter sounds and in a short period of time he has come on leaps and bounds and is now starting to read short, worded books at home. He always has a smile on his face and can be seen enjoying many of the week's activities."

Year R parent.

"My child's transition from Nursery to Reception was one we entered into with a little trepidation, but we had nothing to worry about as he settled in from day 1. He loved his transition days, coming out full of energy and sparkle, talking of the new friends he'd made. On starting school in September he received a warm welcome from the teachers and he soon settled into the new routine. He goes into school with a smile on his face and comes bounding out still with his smile. I feel that this is down to the kind, nurturing environment." Year R parent.
