

Let your light shine!

Maths

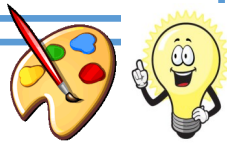

Area, Perimeter and Volume.

We will be working on the different formula involved for calculating area, perimeter and volume. We will also be reviewing all areas in Maths in preparation for SATS.

DT Sculpture and 3D: Making Memories

To create a sculpture to express themselves in a literal or symbolic way.

History Who Should go on the £10 bank-note?

We will examine historical figures to decide if they are significant enough for a bank note.

Music Class Awards

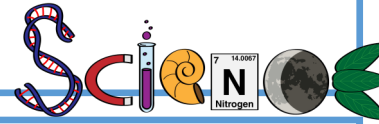

We will be using singing as a group to develop these skills in the end of year play

Year 6 Summer Term 1 on a page

Science Diet Drugs and Lifestyle. Variation

We will be exploring the impacts of diet, drugs and lifestyle on overall body health. Variation: We will introduce this term and then develop it to understand the term species.

Computing Data and information: Programming. We will explore the concept of variables in programming through games in Scratch.

PE

Through the sport of cricket, we will learn how to bat and throw accurately. We will also explore outdoor adventurous activity.

PSHE Healthy

We will be exploring how to keep ourselves healthy by maintaining a healthy lifestyle.

Spanish

We will be looking at words for food and creating Spanish menus.

English

Our focus for this term will be the text Floodlands.

We will be developing our descriptive writing, writing a letter and writing a balanced argument using topics from the text.

RE How Hindus show they belong?

We will look closely at the different symbols and practices of the Hindu faith. We will show how these demonstrate how Hindus belong.
