

Let your light shine!

Maths– Place value within 50 and measurement.

This term we will be focusing on numbers to 50, securing our place value, partitioning into 10s and 1s, finding 1 more and 1 less and estimating. We will also be learning about measurements: length, height, mass and volume.

DT–Sliders and Levers We will be designing, developing and making our own greeting card with a mechanism that moves. We will be learning and evaluating a variety of mechanisms.

History–How am I making history?

We will look at similarities and differences between the past and our own lives, as well as using timelines to sequence historical events.

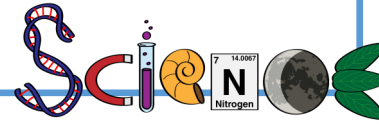

Music – Musical Symbols- Under the sea This term we will be exploring tempo changes through movement, how dynamics can be represented by different symbols and perform as part of a group.

Year 1 Spring 2 Term on a page

Science– Seasonal Changes and Planting

This term we will be learning about Spring and what changes happen during this season. We will then begin our learning about plants, thinking about the parts of a plant, how they grow and plants in our local area.

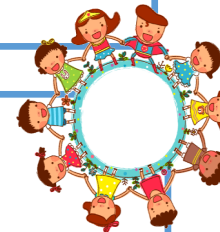

Computing – Data and Information– Grouping

Data. This term we will begin to use labels to put objects into groups. We will explore sorting objects into different groups based on the properties and answer questions based on this.

PE– Gymnastics and Fitness

This term we will be exploring and developing basic gymnastic actions on the floor and using low apparatus. We will understand the benefits of exercise and a healthy lifestyle.

PSHE– Being Healthy

We will be learning about how to make healthy choices and how to keep ourselves safe. We will learn about the importance of road safety when out and about.

English – Recount and Setting Description

We will start by learning how to write a diary entry and recount our half term holidays.

We will then read the story 'The Journey Home' by Frann Preston-Gannon and write a setting description using adjectives and simple punctuation.

RE–What do creation stories teach people about God and human nature?

We will be looking at different stories and sacred texts from different religions and worldviews such as Christianity, Islam, Judaism and Humanism. We will be learning about creation stories from other traditions and cultures and the role of a creator.

Important Notes

PE Days– Mondays and Wednesday
