

*'let your light shine!'*

**Maths** This term will be looking at statistics which includes tally charts, block diagrams and pictograms. We will then move onto position and direction.

**DT/ Art** This term we will be celebrating Art's week. We will be focusing on cooking and nutrition, making healthy wraps. We will also be working on mechanisms, making a moving monster.

**Geography/History** In Geography, we will be investigating the question, What is it like to live by the coast? The children will learn about human and physical features found on the coast.

### Music— Pitch

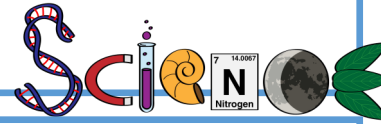

Children will explore the song 'Once a Man Fell in a Well', playing it using tuned percussion.

# Year 2 Summer Term 6 on a page

## Science

This term year two will be continuing our learning about humans and animals. Then revisiting our work on plants, looking at changes and growth.

## Computing

We will explore digital music creation through the use of the music tool, 2Sequence. Children learn about structuring a tune, creating music to represent a feeling and also making music to play in the background of a video clip.

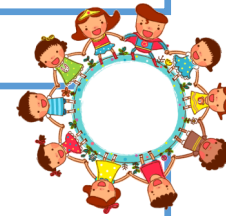

## PE

This term's focus will be invasion games and striking and fielding.

## PSHE - Changing Me

To learn about the physical differences between boys and girls and learning correct names for body parts.

## English

We will be focusing on writing a recount based on the Great Fire of London. We will then be using our Scientific knowledge to write an explanation of the life cycle of a butterfly.

## RE

We will continue our work from previous terms, to discuss our key question 'What do we mean by religions and worldviews?' We will look at this across the religions of Christianity, Judaism and Islam.

## Important Notes

**PE Day:** Monday and Thursday.

**Termly Value:**

**Homework:** Out on a Thursday and in the following Wednesday on Purple Mash.
