

# Year 4 Summer Term 2 on a page

Let your light shine!

## Maths

### Time

Converting between analogue and digital times and using a 24 hour clock format.

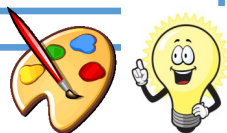

### Shape

Comparing and sorting angles in shape and finding lines of symmetry.

## DT/ Art

### Making a sling shot car

Design and make a car with a working slingshot mechanism.

## History

### How did the achievements of the Ancient Maya impact their society and beyond?

Children will investigate Ancient Maya cities, their challenges, gods and goddesses and their beliefs.

## Music

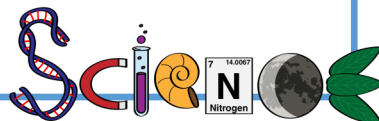

### Adapting and Transposing Motifs

Theme: Romans. Children will be introduced to the concept of motifs in music.

## Science

The Digestive System: Naming parts of the digestive system and the role they have. Naming types of teeth and investigating tooth decay.

**Computing Coding:** This unit builds on learning from previous coding units. Children will learn to use selection, co-ordinates, looping and variables. They will use these coding skills to create their own game.

## PE

**Cricket**—Children will develop understanding of the principles of striking and fielding. They will also learn about the different roles in cricket.

**Swimming**—Children will work towards learning lifesaving techniques, variety of strokes and swim 25m.

## PSHE

### Changing Me

Children will learn about how their bodies are changing and what happens as they grow.

## Spanish

This term the children will be learning key vocabulary for Musical Instruments and learning simple phrases.

## English

### Explanation

Children will write an explanation linked to their Science topic of Digestion.

How does the digestive system work?

### Instructions

We will be looking at good sets of instructions and writing our own linked to DT (How to make a Slingshot car).

## RE

Year 4 will continue their learning on, How do we decide what's right or wrong? We will be looking at moral dilemmas and the part played by different religions.
