

let your light shine

Maths

In this term we will look at partitioning and representing numbers up to 100 as well as consolidate the use of a number line to solve calculations. We estimate and compare numbers as well as start our journey learning the times tables using a range of activities.

Art—Developing drawing skills

We will be developing our drawing skills by drawing objects using simple shapes, building even tones with pencil and adding detail by observing pattern.

History— Would you prefer to live in the Stone, Bronze or Iron Age?

We will delve into pre-history as we visit the Stone, Bronze & Iron Ages & look at when these were, what life was like and how we learn about the past. We will look at a range of sources & visit Flag Fen to get hands on with History!

Music— Mountain melodies

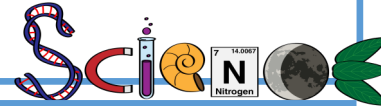

Investigating melody and pitch to compose short melodic pieces, with dynamics and movement.

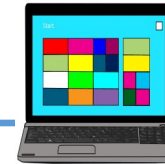

Year 3 Term 1 on a page 2026-27

Science — Light

We will explore light, and what it is. We will investigate and understand reflections, shadows, mirrors and sun safety. A fun and practical hands on way to start Year 3 science!

Computing—Computing systems & networks. We will develop our understanding of digital devices, with an initial focus on inputs, processes, and outputs.

PE

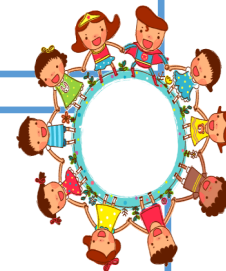

We will be on the key 'fundamentals' of PE: Running, jumping, hopping, skipping and balancing. Ball skills will develop dribbling, throwing & catching as well as tracking a ball when trying to catch it. Team games will be enjoyed too.

focussing

PSHE— Being me in MY world.

We will be exploring choices and consequences & why we need them, as well as rights & responsibilities as members of our school community.

English

In English we will be reading Stone Age Boy to enter the realm of pre-history and explore life there through narrative. We will create setting, characters and adventure before creating a non-chronological report all about pre-historic animals. We will also have opportunity to recount our trip to Flag Fen.

RE—What does pilgrimage mean to individuals and communities?

This unit explores how pilgrimages to sacred and significant places can strengthen individual faith and community identity.

Important Notes

PE Day : Thursday & Friday

Termly Value: Community

Homework: Set on a Friday. 99 maths club, spellings & reading.
